

# SW13

SW13 is an excellent area for leaflet distribution.

After we eliminate all businesses and undeliverable addresses we are left with 8,000 households we can deliver your leaflets to reliably.

These 8,000 households are split into two demographically coherent groups.

SW13 covers the area of Barnes and its neighbours on Chiswick, Fulham, Putney and East Sheen.

There is much demographic overlap between these areas as well and for that reason we tend to advise combining these areas for larger leafleting campaigns.
