

LEAFLET DISTRIBUTION IN NW10

NW10 used to be our home postcode. That is where the Private Postman was started as a company and we operated from NW10 for a long time.

NW10 is a very large postcode with 34,000 leaflets that can be delivered across 34,000 households.

We have to divide NW10 into 8 groups. The variety of demographics is fairly large here so it is very important that we select the right area for you.

We can do this over the phone and help you find exactly the right area of NW10 that your leaflets should be going to.

The range is really large here from Kensal Green with some fairly upscale households all the way to Park Royal for example which is a large Industrial Estate.

There are almost no residential addresses within Park Royal so it's important that if you want to deliver leaflets in NW10 you give it some serious thought.

If you want to know more information about leaflet distribution in NW10 feel free to get in touch with us at the Private Postman.
