

N20

N20 is a picturesque area of North London full of terraced or semi-detached houses.

We can deliver your leaflets to 14,000 households within N20.

These are broken down into 4 separate demographically homogeneous groups.

No industrial areas, council housing or complicated business areas are present here.

This makes N20 a great area for leaflet distribution as the majority of addresses here are privately owned residences.

Any campaign focused on leaflet distribution in North London should at least consider targeting N20.
