

# TW9

The TW9 postcode covers the area of Richmond and it is one of the best areas for leaflet distribution in South West London.

It contains 10,000 privately owned residences we can reliably deliver leaflets to. We have these split into two demographically homogeneous groups of 5000 households.

One will find mostly larger homes here with gardens and generally affluent demographics

TW9 should be a part of any leaflet distribution campaign looking to target well to do households in South West London.
